HOW TO SING THE PROPERS

For cantors, choir directors and choir members

Thur. Mar. 23, 7:00 p.m. @ St Vincent Ferrar, 420 Florida St., Vallejo

(St. Paul conference room)

The Propers of the Mass are Psalms or other scripture verses that accompany the entrance, offertory and communion processions. Like the readings and prayers, the Propers are appointed for each Sunday and solemnity.

The wonderful thing about the Propers, from a *mystagogical* point of view, is that along with the readings and prayers, they help illuminate the Mass of the day. If you'd like to learn more about the Propers and how to sing them, this workshop is for you.

Workshop is free, but please call to register: 916-733-0221, or email: jcavanagh@scd.org

Presenter: James Cavanagh, M.Div.
Director of the Office of Worship
